Steve Bannon

SB

I just read the article
Don't think it's bad @ all
02:01:50 am

mlicloud@mypillow.com

It is all the lies and stuff they left out
02:15:02 am

This article got more complaints from people I know than all of the ones this year out together
02:15:43 am

no

Steve Bannon

SB

Let's go thru
But they have some great stuff in there about the employees and how you run the company
02:15:47 am

mlicloud@mypillow.com

No they actually minimized that too and lied
02:16:13 am

Steve Bannon

For a super progressive paper it's not that bad

You come off as decent guy to those who work for you
02:16:35 am

SB

We can pump up
02:16:46 am

mlicloud@mypillow.com

They were for sure going for a theme of failure or me being a liar
Example 700 employees vs 2500

02:18:30 am

Even how much we make per year (they say they got some quote from an officer with
a lessor amount)
02:18:30 am

Steve Bannon

SB

Yes of course
02:18:49 am

mlicloud@mypillow.com

I can explain why this one upset me more than all the others put together and how the
left does it well
02:18:58 am

Steve Bannon

Ok
02:19:05 am

SB

They are obsessed with you running for Governor
02:19:23 am

mlicloud@mypillow.com

They are afraid !!!
02:19:42 am

o

Steve Bannon

Of course
02:19:50 am

02:24:42 am

We also need to talk later
You can't run for Governor
You work your tail off to help take back the House in '22
You have to wait til 2024 and see if President Trump runs for re-election— if he chooses not to then you run for the presidency
04:37:07 pm

SB

mlicloud@mypillow.com

I have thought of that and also if he is reinstated on august like I believe he will be then 2024 looks very real

04:40:32 pm
